

## Animal Hospital of Shawnee Hills Grooming/Bathing Information

- 🐾 Angie & Jessica** have been grooming since 2009 and are knowledgeable with AKC standard cuts for all breeds of cats and dogs. To see some of their work, please check out their portfolios on our website! <http://shawneehillsvet.com/services/grooming-2/>
- 🐾 Your pet's purrfect look takes time.** Baths are the most important part of the grooming process. When we bathe a dog, we are cleaning every hair and square inch on your pet... scrubbing everything! In between the toes, butt, groins, belly, armpits, & ears! Here's what we do for every single pet:

  - Thoroughly **clean ears** & trim toenails
  - **1<sup>st</sup> shampoo:** deep cleansing and degreasing
  - **2<sup>nd</sup> shampoo:** rebalancing, moisturizing, coat release OR color enhancing shampoo tailored to dogs individual need
  - **Conditioner:** moisturizing, coat release, de-shedding process
  - **Leave in conditioner:** adds silkiness, improved dry time, helps dead fur slide out of coat
  - Hand dry all pets – like a *professional blowout* from a salon!
  - **AKC full-body professional cut, creative styling, Japanese styling or cut how you would like!**
- 🐾 Concerned your pet will be in a cage all day?** Not at AHS. Our grooming assistants take extra care to ensure each pet gets plenty of potty breaks and water.
- 🐾 Scheduling Your Pet:** Please call ahead for the current grooming schedule 614.389.6455. There are a variety of options for grooming admission for dogs. We are happy to accommodate your pet for the entire day if that is best for your schedule. Every other Wednesday is reserved for Cats only!
- 🐾 Safety is our number one priority.** To prevent the spread of disease, all pets must be current on their vaccinations. Please be prepared to provide proof of vaccinations or contact information for your pet's veterinarian. Dogs must be current on the following vaccinations: Rabies, Distemper (DA<sub>2</sub>PP), and Bordatella. To prevent the spread of kennel cough, the Bordatella vaccine must be given every six months. Cats must be current on both the Rabies vaccine and FVRCP.
- 🐾 For more information about your pet's grooming appointment and what to expect, please visit our website at <http://shawneehillsvet.com/services/grooming-2/>. Thank you!**

Dog Grooming		
Size & Coat	Average Price	
	Bath/Blowout	Full Groom
X-Small	\$27-32	\$47
Small	\$33-38	\$52-57
Medium	\$39-45	\$57-62
Large	\$48-52	\$62-82
X-Large	\$53-57	\$92+

Cat Grooming	Average Price
Short Hair Bath/Brush out	\$50
Long Hair Bath/Brush out	\$55
Long Hair Bath/Brush out + Cut	\$70+
Full groom + *Lion Cut	\$70

\*Sedation grooms must be scheduled with Dr. Bookmyer

Please note that these are **base prices**. Price may be higher depending on the condition of your pet's coat. Large breeds with thicker coats (Samoyed, Bernese, Doodles, etc.) will require additional time and cost. De-matting is additional depending on the severity. Please stop in during grooming hours for a free consultation!
