**Please read the following boarding policies and protocols carefully:**

- **Pick-up time:** We will release animals during our normal business hours. We are closed on Sundays, however, a pick-up time can be pre-arranged with one of our animal care specialists:
  - 4:00 PM for dog boarding (lower level)
  - 4:30 PM for cat boarding (upper level)
  - 4:30 PM for medical boarding (upper level)

Regardless of whether you pick-up your pet on Sunday or Monday, the cost will be the same. If your pet has a surgery performed during his/her stay we will not be able to accommodate a Sunday go-home. A go-home time on Monday will be arranged with one of our medical technicians to ensure you receive all of the post-operative care instructions for your pet.

- **Requirements:** I understand that Animal Hospital of Shawnee Hills (AHS) requires all dogs boarding with us to be current on their Rabies, Distemper/Parvo (DA<sub>2</sub>PP), Intranasal Bordetella & Influenza vaccinations. Dogs also must have a negative fecal check within the last 6 months if currently on intestinal parasite prevention, or within the last 3 months if not on parasite prevention. All cats must be current on their Rabies and Distemper vaccinations. If vaccines or a fecal check were completed elsewhere, it is the owner's responsibility to provide evidence of this PRIOR to boarding admission. If your pet cannot have vaccines for any reason, he/she will stay in our upper level hospital boarding room away from other pets (if available). This will be considered medical boarding with applicable fees as veterinary technicians will care for your pet during business hours. We reserve the right to refuse any dog or cat that is not current on vaccinations.
- **Flea inspection:** I understand that my pet will be inspected for flea evidence upon boarding admission. Treatment is required at my expense if flea evidence is confirmed. We highly recommend that your pet be current on flea prevention before boarding at our facility.
- **Personal Belongings:** I understand that any bedding, toys, bowls, or other belongings I bring with my pet may become lost or destroyed. I will not hold Animal Hospital of Shawnee Hills responsible for any misplace or damaged personal items.

**I have read and understand the policies and protocols to board my pet at the Animal Hospital of Shawnee Hills. By signing below, I agree to comply with the described requirements.**
